ORIGINAL MUST BE SENT TO HEADQUARTERS

If a member in good standing of a Camp in the Sons of Confederate Veterans requests transfer to another Camp, the demitting Camp must execute the transfer form and return it to the admitting Camp within 30 Days. If such action is not performed, the member is automatically transferred at the end of 30 days.

A member of the Sons of Confederate Veterans who has charges pending against him at the Camp or Division level in a manner consistent with the Constitution of the Sons of Confederate Veterans is not permitted to be transferred to another Camp or Division, respectively, until all charges against him are disposed of. The member continues to have all the rights and privileges of a member in good standing. This action in no way implies that the member is not in good standing, but is meant to insure that the disciplinary actions guaranteed by the Constitution are carried out.
