The South Carolina Division, Sons of Confederate Veterans has learned that a North Carolina Chapter of the Ku Klux Klan has been granted a permit for a protest rally. This is scheduled for July 18, 2015 on the SC Statehouse grounds. The Sons of Confederate Veterans vehemently opposes and condemns this event.

The Sons of Confederate Veterans has a strictly enforced hate policy. Anyone with ties to any racist organization or hate group will be denied membership. Any member developing ties to these organizations will be immediately expelled. Prohibited organizations include the Ku Klux Klan, American Nazi Party, the National Alliance, or any organization expressing racist ideals or violent overthrow of the United States government.

The Sons of Confederate Veterans is a Historical Honor Society. Our duty is to protect and preserve the history and heritage of the Confederate soldier, both Black and White. Our ancestor's Battle Flag makes no dissimilarity to race, creed or religious affiliation. We go up against hate groups even more so than those who seek to repudiate the Memorial Confederate Banner.

They Shall Not Be Forgotten
